

CARE Coaching, offered through the Wisconsin Center for Education Products and Services, is designed to ensure that school- and district-based educators are empowered to provide equitable educational opportunities for multilingual learners. We use the C.A.R.E. model to cultivate engagement in professional learning that is: **C**ollaborative, **A**ctionable, **R**esponsive, and **E**mpowering.

CARE Continuous Learning

These opportunities help educators address the needs of all students, with a special focus on K-12 multilingual learners.

- Foundational Principles
- Pedagogical Practices
- Literacy Development
- Content-Based Instruction
- Family Engagement
- Special Populations

CARE Consulting

Expert CARE Coaches consult directly with school and district leaders to support multilingual learners through technical help and program evaluations.

- Program Evaluations
- Compliance Site Visits
- Classroom Learning Walks
- Title III
- Progress Monitoring
- Academic Enrichment for MLs
