## Person - Psychological Processes - Place

WCEPS Tips and Dips - October 2024  
Dr. Ryan Rumpf WCEPS CARE Coach

### Person

- Cultural and historical recognition of groups
- Individual care, personal development through experiences and goal setting

### Psychological Processes

- Affect: Foster happiness, pride and a love of the place
- Cognition: Build memory, knowledge and meaning
- Behavior: Address feelings of displacement and homesickness

### Place

- Use of social symbols (e.g., murals, flags)
- Inclusive and welcoming design; create physical spaces that foster connection for newcomers
